Mohab Ibrahim, MD, PhD
Associate Professor, Depts. of Anesthesiology and Pharmacology
Director, Chronic Pain Clinic & Fellowship

“Alternative Approaches to Pain Management”

Noon-1 p.m., Monday, April 8, 2019
Kiewit Auditorium, UA Cancer Center
University of Arizona
1515 N. Campbell Ave.

Objectives:
1. Appreciate the most common physical exam to develop a differential for back pain
2. Recognize that radiating leg pain has several etiologies.

Accreditation Statement:
The University of Arizona College of Medicine - Tucson is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Arizona College of Medicine - Tucson designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement(s):
All faculty, CME planning committee members, and the CME office reviewers have disclosed that they have no financial relationships with commercial interests that would constitute a conflict of interest concerning this CME activity.
